**STIPULATION FOR
 EXTENSION OF TIME FOR
 UNITED STATES' RESPONSE
 (First Requested Extension)**

Pursuant to Local Rule IA 6-1, Defendant the United States of America, and Plaintiffs Ernesto Manuel Gonzalez, James Patrick Gillespie, Cesar Vaquera Morales, Diego Chavez Garcia, and Bradley Campos (collectively, the "Parties") stipulate to an extension of time for the United States to respond to Plaintiffs' Complaint. This is the first stipulation for an extension. The reason for this stipulation is to align the due date for the United States' response to the Complaint with the due date for Defendant David Karpel's response. Both the United States and Defendant Karpel intend to file motions to dismiss. Aligning the due dates for their responses would facilitate a consolidated briefing schedule for their motions, which would serve the purpose of judicial economy.

The United States' response is currently due July 18, 2022. Defendant Karpel's response is currently due September 12, 2022. The parties stipulate that the United States' response will

1 now also be due September 12, 2022. The parties further stipulate that Plaintiffs will have thirty-
2 five (35) days to file their responses to the United States' and Karpel's motions, and the United
3 States and Karpel will have twenty-one (21) days thereafter to file any replies.

4
5 Respectfully submitted this 13th day of July 2022.
